INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Africa Renewal Ministries
San Antonio, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Africa Renewal Ministries, which comprise the balance sheets of as of December 31, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: Africa Renewal Ministries (the Organization) is organized as a not-for-profit corporation under the laws of the State of Texas. The Organization's purpose is to receive and administer gifts, offerings, donations, and other contributions from the community for the work of developing Christian leaders in Uganda, East Africa. Leadership development is accomplished through Christian churches, schools and orphanages and Africa Renewal University. Support is provided to Christian churches, schools, and orphanages in the area.

Basis of Accounting and Preparation of Financial Statements: The accompanying financial statements have been prepared following U.S. generally accepted accounting principles. Net assets, support and revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted Net Assets: Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets: Net assets subject to donor-imposed stipulations that will be met by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization did not have any temporarily restricted net assets at December 31, 2013 or 2012.

Permanently Restricted Net Assets: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. The Organization did not have any permanently restricted net assets at December 31, 2013 or 2012.

Donated Services: Donated services (excluding professional and similar type services) are not valued or recorded in these financial statements. However, a substantial number of volunteers donate significant amounts of time to the Organization's programs. Volunteer hours are estimated at approximately 300 in 2013 and 400 in 2012.

Contributions and Pledges: Contributions and pledges are reported as support and revenue as received. Such amounts are recorded as restricted support if they are received with donor stipulations that limit their use. When the restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, such assets are reclassified to unrestricted and reported in the statement of activities as net assets released from restrictions. Contributions received with restrictions whose restrictions are met in the same reporting period are generally reported as unrestricted support.

The Organization reports gifts of equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Functional Allocation of Expenses: The costs of providing the services and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Cash and Cash Equivalents: Cash and cash equivalents consist of unrestricted cash on hand, demand deposits held by financial institutions, and any equivalent securities with a maturity of three months or less when acquired.

Equipment: Equipment is stated at historical cost or estimated fair value at date of donation to the Organization. Expenditures for betterments that materially extend the useful life of an asset are capitalized. Depreciation is recorded using the straight-line method over the estimated useful lives of the related asset (generally three to ten years for furniture and equipment).

Operating Leases: The Organization has no significant leases.

Income Taxes: Africa Renewal Ministries is a not-for-profit organization exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. Donors of money and/or property are entitled to the maximum charity contribution deduction under the law. The Organization is not subject to Texas margin tax. Management is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax return for the last four years remain subject to examination.

Concentrations of Credit Risk: Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash. The Organization places its temporary cash investments with financial institutions and limits the amount of credit exposure, although it may from time to time have cash balances in excess of that insured by the FDIC. The Organization periodically assesses the financial institutions and believes the risk of loss is minimal, and has not experienced any losses to date.

Subsequent Events: Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

New Accounting Pronouncements: Management is not aware of any new accounting pronouncements that have been released, and are not yet effective, which will have a significant impact to its financial position or results of operations in future periods.

Use of Estimates: The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

AFRICA RENEWAL MINISTRIES
Notes to Audited Financial Statements

NOTE B – IN-KIND CONTRIBUTION

The Organization receives the free usage of office space at 102 Ivywood Circle in San Antonio from Wayside Chapel. The fair market rental value of this space is approximately \$600 per month. Accordingly, the Organization reported \$7,200 as in-kind support and in-kind rent expense for the use of this office space in 2013 and 2012.

NOTE C - RELATED PARTY TRANSACTION

A Director provides consulting, accounting and CFO services to the Organization. The Organization paid \$32,000 in 2013 and \$40,375 in 2012 for such services to a firm in which the Director is a partner. Management believes the charges are reasonable and customary for what a third party provider would charge.
